

Little effort, big enjoyment.

The giants among our brittle eggs require very little effort from you. We have already taken care of the precise shaping of the thin-walled but stable brittle half shells for you. To make the Easter treats perfect, you only need to assemble them, protect them from moisture with cocoa butter and decorate them. You can find three inspiring suggestions for this here.

Large brittle eggs, unfilled, in film
140 mm, Item No. 22000140
90 mm, Item No. 22000090

Idea 2: Light-dark

Dip the brittle egg up to a third in dark couverture chocolate.
